

# Language Building Series

COURTNEY GOODMAN MA, BCBA

**Welcome to the Language Building Series! These books are designed to help you engage with your child and encourage them to be an active participant in story time.**

**As you read with your child, utilize the questions at the bottom of the page. If your child answers the question correctly, CELEBRATE (high-five, fist bump, clap, tell them awesome job, do a little dance, etc.)! If they do not answer the question or answer incorrectly, show/tell them the correct answer and move on.**

**The questions in these books are categorized based on the VB-MAPP, an assessment used to assess the social and language skills of children up to the developmental level corresponding to 4 years of age. Once your child has learned the answers to all of the questions listed, add some new ones of your own!**

**Reading and learning should always be fun!**
